MARY, QUEEN OF MAY

Mary, the Mother who cared for Jesus, now cares with maternal affection and pain for this wounded world. Just as her pierced heart mourned the death of Jesus, so now she grieves for the sufferings of the crucified poor and for the creatures of this world laid waste by human power. Completely transfigured, she now lives with Jesus and all creatures sing of her fairness. She is a woman, 'clothed in the sun, with the moon under her feet and on her head a crown of twelve stars'. Carried up to heaven, she is the Mother and queen of all creation. In her glorified body, together with the Risen Christ, part of creation has reached the fullness of its beauty. She treasures the entire life of Jesus in her heart and now understands the meaning of all things. Hence, we can ask her to enable us to look at this world with eyes of wisdom. Laudato Si' 241
